

BOARD DISCRETIONARY FUNDS

BOARD DISCRETIONARY FUNDS put the full power of the community foundation to work for you. Annually, we request applications to meet our community's most pressing needs. Then we study, vet and award grants to the nonprofits best equipped to tackle these emerging issues – all in your fund's name.

Through board discretionary funds, everyday residents can fuel big ideas, strengthen vulnerable populations, and improve entire communities with high-impact grants. These funds harness the benefits of the community foundation's vast nonprofit knowledge, while creating a legacy for your family or organization that will last for generations.

Benefits of A BOARD DISCRETIONARY FUND

No Administration

Board discretionary funds are an ideal tool if you want to impact the community in timely and relevant ways without the responsibility of researching and selecting grants on your own. The Chillicothe-Ross Community Foundation handles all the grantmaking and financial oversight, while your fund receives the credit.

Responsive Grantmaking

The needs of our community are ever-changing, and a board discretionary fund is an excellent way to address future challenges. You're giving the community foundation full latitude to support emerging initiatives and unforeseen needs in our community, both for today's residents and for generations to come. Our experienced board and staff will research the area's most compelling needs and award strategic grants from your fund to the programs best suited to meet them.

Expanded Giving Options

If you'd like to add to your fund in the future, the Chillicothe-Ross Community Foundation can accept a variety of gifts – from the simple, like cash, to the complex, like gifts of closely held stock and real estate. And once your fund has been established, there is no minimum requirement for future donations. We even offer all of our funds custom giving URLs so gifts can be made online easily – for you, or for friends and family who wish to give to your fund in your honor.

THE POWER OF ENDOWMENT

Put simply, endowing your fund means it will last forever, providing a perpetual source of support for local causes. While you have the flexibility to use fund principal if needed, endowment offers the benefit of long-term impact and a lasting legacy for your family or organization. For our permanently endowed funds, the Chillicothe-Ross Community Foundation carefully manages spending, limiting distributions to 4.5% of the average asset value.
